WHAT Children, young adults, and parents are invited to participate in the East Lansing Robotics Fest event, being held on Sunday, September 16, 2018 from 10 a.m. - 1 p.m. in Valley Court Park. The event is FREE and open to the public.

During the festival, school aged children in 1st-12th grade are welcome to partner with hosts from the Michigan State University's College of Engineering, Information Technology Empowerment Center (ITEC), and East Lansing Public Library to create robots.

In addition to robot building, visitors will see the Michigan State University autonomous vehicle, bottle cap rockets and robotics fish! Come and take a stroll....to see what the incredible world of engineering has to offer to you!

Pre-Registration for the event is encouraged, but not required. Registration will be available the day of the event.
